## The Newer Arithmetic.

If a quart box of strawberries holds a pint and a half, how many boxes will it take to make a peck, and how quick can a tramp get away with them?

Jake has six apples and divides one among his five brothers and sisters. How many has he left?

If a farmer can mow six acres of grass in one day, how many days will it take to mow thirty-eight acres of grass in three days?

If a butcher weighs his hands with every sale of meat he makes durrying the year, how long will it take him to get out of town?

If a coal dealer has a driver weighing 185 pounds, who was weighed with 750 loads of coal during last, winter, what would have been the gain to the customers, had the driver only weighed 150 pounds?

If our night marshal sleeps an hour and a half each night, for thirteen years, how many years of such arduous labor will it take to reduce him to a walking skelton?

What is the exact number of constables and how many law-suits can a wide-awake officer provoke in a year?

A merchant who has a stock valued at \$8,000 advertises that he will dispose of it at one fourth off. How much will he make?

A dairyman has a cow which gives six quarts of milk per day, while his sales foot up nine quarts. There is nothing for the student to find in this case. Simply put in more ice or turn on the water.

If a twelve pound paper sack holds a peck of potatoes, how much will a bushel cost?

If the smallpox breakout in Chickasha, this coming winter, how long will it be before all of our doctors will each have a new suit of clothes?

If court continues two weeks

this term. How many of our lawyers is there that will purchase new hats?

When lumber is selling for \$22 and \$24 per 1000 ft. what could our lumber merchants bank each day if it sells for \$14 and \$16 per 1000?

If brick was selling for \$6.00 per 1,000, how long would it take one brick man to burn a kiln of 150,000?

If a block of ice 4x6x3 1/2 weighs 25 lbs this summer, what will one 4x4x3 weigh next summer, and what will it cost a family of four to keep cool?

PERSIN SYRUP CO., Monticello, Ill. Gentlemen—I feel it my duty to express to you my gratitude for what your wonderful remedy has done for me. I was completely run down with a complication of stomach disorders. For ten months I could not work and was treated by three eminent physicians. One insisted upon operating on me, declaring nothing short of an operation for appendicitis would cure me. A friend induced me to try Dr. Caldwell's Syrup Pepsin and from the first dose I began to improve, and have gained 25 pounds in weight and am enjoying the very best of health. I never fail to say a good word for Dr. Caldwell's Syrup Pepsin for I know what it has done for me it will do for others. Gratefully yours,

CHARLES CURRY.
